

Please do not allow amendments to be made to the No Call law being entered by Indiana Attorney General Steve Carter. Such banks as Wells Fargo are especially harrasing. I currently have an account with them and even if you make proper payments arrangements for a delayed payment they will call you up to five times a day seven days a week until monies are received. This means 8:00 p.m. on a Sunday night. That means 70 times in a two week period.
